Later in the month there's an award winning theatre production on Friday 30th September - **Women on the Verge of a T-Junction** from The Msfits Theatre Company - <http://www.msfits.co.uk>.

Three women, three generations, three agendas, one lapse of concentration, all it takes to reduce a grown AA man to tears! No-one's hurt but who is to blame? Three women on a collision course that will change their lives forever... and seriously damage their rear view mirrors! When their cars collide at a T junction three very different lives get as entangled as their bumpers in an hilarious and poignant new one woman comedy from The MsFits.

"Strong witty subject... sharp and well constructed... funniest and most attractive drama around" - **Scotsman**
 "Altogether a highly enjoyable experience" - **EdinburghGuide.com**
 "A performance that is firmly in the driving seat" - **Edinburgh Evening News**
